Alberta's Prospects

SUPPLEMENTARY CROP REPORT issued by Department of Agriculture, Edmonton, June 23, 1925.

Further information respecting crop conditions with relation to the activity of cutworms and other pests in the province, received by the Department of Agriculture since the issuance of the periodical crop report last week, indicates that several large areas in the east central portion of the province have suffered rather severely from the operations of the cutworm and wireworm. This information has been made available as a result of a survey just completed on behalf of the Department.

In some districts it is indicated that the wheat yield will be less than 40 per cent. normal, and it has been necessary in these districts to reseed with other crops, thus reducing the general acreage in wheat. Disturbances in the extreme south and south-eastern part of the province have also been affected by the worms.

The fact that large areas in these portions of the province have suffered from the pests, and the fact also that considerable wheat growing areas in the south-eastern district has been abandoned by farmers reseeded to other areas, makes it evident that the general increase in wheat acreage in the province is much smaller than would ordinarily have been the case.

Straw Utilization

MAY INSTANT PAPER PLANT

Good progress is being made by John Bache-Wig of Montreal, the inventor of the process bearing his name of making paper from straw, in his investigation of the use of Alberta straw in the manufacture of the different kinds of newspaper, wrapping and other paper. Mr. Bache-Wig came to Edmonton at the request of the provincial government and intends remaining here for some time.

He is working in connection with Trade Commissioner Howard Stetebury in looking into the different phases of the strawpaper industry, both from the manufacturing and the commercial point of view.

It is expected that his report to the government will be in the hands of the authorities in the course of the next ten days, and if it moves favorably as it is expected to, the next steps are likely to be taken during the coming summer to establish a small plant in some central part of the province.

Crop Conditions

The weather during the past week has been warm and favorable to growth. The heavy rain on the 21st kept the ground well supplied with moisture, and there was further rain on Tuesday. A thunderstorm on Sunday afternoon this week resulted in considerable rainfall from Calgary to Standard, but did not affect the country south of this line.

There is nothing to be gained by exaggerating crop conditions. Given normal weather, with occasional showers, for the next six weeks a fine harvest should be reaped, but, of course, the crop is never safe till it is in the granary. Between Strathmore and Calgary some damage has been done by hail within the past three weeks, but most of the companies handling hail insurance are not making final adjustments at the present time. One good effect of the early hailstorms is that most farmers are now placing adequate hail insurance. The wet weather of the past month has caused the cutworms, which had done considerable damage around Rosebud and Gleichen, to cease operations. Considerable acreage has been reseeded for this reason, and close to Strathmore and Nightingale some acreage that had been blown was reseeded.

There are two things that determine the profit in a crop. The first is to have the crop, and the second is to sell it at a profit. Exaggerations or too optimistic predictions are blamed for the recent drop in the price of grain. It would seem that the safest plan for the farmer is to sell his grain through the Wheat Pool, an agency controlled by himself, and not entrust it to the mercy of the speculators, who are not interested in making a profit for the farmer so much as in making a profit for themselves. The more they can hammer down the price to the farmer the more they stand to make from the consumer. The only useful function performed by the speculator is that of finding the money to pay the farmer in the interval between the time wheat is received into the elevator and the time the consumer gets it. The Wheat Pool does this by borrowing from the banks on security of the grain, so that more grain taken from the manipulations of the speculator for the better for the farmer and for the country as a whole.

DOMINION DAY

All Canada rejoices to-day in the 38th anniversary of Confederation. At Confederation the population of Canada was not one third of what it is to-day. The west was populated only by a few Indians and a few white people. The future of Canada is not now in doubt. It's fertile plains and minerals, and the resourcefulness of the hardy northern people being built up within its borders will ensure a progress fully as rapid in the next fifty years as in the past fifty years.

So to-day we celebrate our opportunities and our good fortune in living in this favoured part of the earth's surface, and our privilege of freedom to grow and develop under the Union Jack as part of the British Empire, the greatest association of free peoples under one flag that the world has ever known, and the forerunner of "the parliament of man, the federation of the world."

The true citizen of Alberta will think as an Albertan, as a Canadian, as a Britisher, and as a citizen of the world.

Namaka

Mr. and Mrs. A. Watts of Cartwright, Man., motored up to Namaka to visit the former's brother, Mr. E. C. Watts.

The Ladies Aid will meet at the home of Mrs. E. F. Wheeler on Thursday, July 2nd.

Mrs. W. J. McIntosh left last Tuesday for Edmonton, to spend her vacation.

Miss Violet Watts is home spending her vacation here in Namaka last week, with her parents.

The Namaka ball team went to Carleton and played ball on Thursday last. Namaka teams being the victors by a score of 8-7.

Two more families of Mennonites arrived here in Namaka last week, one family locating in town.

Mr. Geo. Lane was in Namaka looking over the crops on his ranch.

The U.G.G. elevator will be closed on July 6th for two weeks. Fred is going on his vacation.

Miss Merrill Brown returned home

DISSATISFACTION WITH HAIL ADJUSTMENT

Deputation Interviews Board

With a complaint against the holding over of adjustment on losses sustained by hail during the past month, a number of the sufferers, including Messrs. H. S. B. Chamberlain, Chas. Barber, Geo. Jackson, Chas. Cowell, Roy Miner, and J. P. Leary, interviewed the secretary of the Municipal Hail Insurance Board on Monday.

The position taken by the farmers affected is that their losses should be adjusted now, and the position of the Board, and of most of the other companies writing insurance of this nature, is that it is impossible to make a correct adjustment at this time.

As a result of the representation made, however, Mr. Towell stated that the Board would send adjusters round the crops again. In the meantime the farmers who have been haled have independent adjustments made.

from Calgary, where she has been taking a business course.

Strathmore Stampede July 15

It is now only two weeks from the date of Strathmore's third annual Stampede, and the work of preparation is going on smoothly.

Work on the corral and grounds commenced Monday evening. This is being done by voluntary labour, and everyone is asked to turn out and assist.

The advertising committee have been busy getting out posters, cards, envelopes, etc. for the past month. Cards are provided free to be placed in envelopes. Send them out as an invitation to your friends to attend, and do all you can to guarantee a big attendance. If you can place posters you can have a supply from the Secretary, Mr. F. J. Dunn.

The finance committee are still soliciting donations, and are meeting with good success.

Dick Corriveau, Bob Anderson, and Leslie West have made sure of some of the best backing horses and riders in the West for the 10th, and a great day's sport is assured. The big money offered will attract the cream of the riders.

All proceeds of the Stampede, above expenses go to the Memorial Hall Fund, a community undertaking. If everyone in Strathmore and district will do their bit by attendance and boosting, the debt on the hall should be reduced \$1,500 at least. The debt is at present \$3,500.

Standard Notes

Mr. Harry Lawdren underwent an operation for appendicitis in Calgary recently, and is progressing favorably now.

As in nearly every other Alberta district, the crops around Standard are wonderfully abundant, and are doing exceptionally well under very favorable growing conditions.

Two carloads of heavy timbers were unloaded here last week for repairing and constructing bridges on the government roads in this district.

Mr. Neils Dahl has graduated from the Canadian Junior College, and is visiting with his mother, Mrs. Cecilia Dahl, at present. We extend to Mr. Dahl our heartiest congratulations on his success in his work, and also wish him good luck and happiness in his missionary endeavors.

The grade IX pupils held a picnic at Bow River last Saturday, and enjoyed the relaxation after a week of writing examinations.

The Misses Martha and Cordie Feden left on Tuesday of this week for their home in Rockham, Mass., where they will spend their summer vacation.

Mrs. T. Coulter, of Sanford, Ont., was the guest of Mr. and Mrs. F. S. Horton last week.

Mr. N. W. Thompson motored to Calgary on Saturday.

Mrs. E. L. Wirt, Miss Georgia Stauneman and Mrs. A. L. Williams attended a social meeting of the Husar Ladies Aid on Thursday.

A number of Standardites motored to Cassol's barn dance south of Rosebud on Friday evening. All report an enjoyable time.

Mr. N. F. Nelson has purchased a Chevrolet coach. One more car added to Standard's new car list for 1925, there being thirty new cars in this community most of them closed cars.

Mrs. Ralph Ingram and daughter, Ruth, arrived in Standard from Norway on Tuesday. Mr. Ingram went to Bassano on Monday to meet her.

Mr. Wilks is in the General Hospital at Calgary, where he is recovering from the effects of an operation. At writing he is doing fine.

Bill Bergequist and family will leave this week on their westward trip. We wish them a pleasant trip.

The U.F.W.A. held its monthly meeting at the home of Mrs. H. C. Gardner. The meeting was well attended by members, and quite a number of visitors were present. The response to the roll call was given by plants on home cursing. The U.F.W.A. is becoming a very popular organization in the community. The U.F.W.A. is being left away behind.

The Ladies Aid gave their farewell party to Mrs. Lonsdale last Tuesday and presented her with a silver snuff and creamer.

Jim Nelson and family are away on a short auto trip. Incidentally they will take in the McLeod Jubilee.

Mr. H. T. Robertson has handed in his resignation. He expects to attend university before teaching again. Miss Potter and Miss Kitch have each signed contracts for the coming year.

Ben Cook makes pretty regular trips to Calgary lately, and it is reported that he was seen riding around with a nice looking girl. We would be glad to announce something definite, but for kind of like the price of next year's wheat—hard to tell.

Mrs. Otto Bremer gave a party at her home last Friday to Mrs. Linder, from Victoria, who was spending a few days visiting among friends here.

A great many people are asking when the U.F.A. will have its annual picnic.

Balmont seems to be interested in Baintree. We speak from experience that that Scotchman is a good man to lay off.

Baintree has our sympathy. There is only one thing we can say in favor of a hail storm; it helps the country to live up to its reputation as a next year country.

The P. B. Club is holding its next meeting this week at the river, and will take the form of a picnic.

A letter from C. F. Baker states the weather is pretty hot and dry in Michigan and the prospects for a crop are poor. There are lots of worse places to live in than Alberta.

Baintree

A youngster who lives near the town of Balmont, sang a song to his friends of our last fall's good crop.

But when we were young and went to a feast, We never stuck our thumb in any guys' year.

The two children of Mr. and Mrs. John Horne are reported out of danger. Mr. and Mrs. Horne have had a long severe trial, and the sympathy of the entire district has been with them during the illness of the little ones.

Through the courtesy of Mr. and Mrs. Ross, the Baintree Community Club held a social evening in the beautiful grounds at Wynona.

A strong, unimpaired, waist line takes very much longer, the exact amount of a woman's waistline is a long process. The executive promptly invited several ladies and invited to join them. Each gentleman delivered an interesting address, and plans were laid to handle the contracts of those who wish to sign up. The many visitors who were present greatly enjoyed the beautiful lunch of straw berries, ice cream and cake.

As this goes to the press our little district is looking truly magnificent. From the optimistic reports heard on every hand, we expect this condition prevail throughout most of the province.

A good crop at the present prices would place many people truly on their feet, and the money, in most cases, would be spent wisely and well. May all your best and fondest dreams come true this year.

Good Night! Even if we don't work very much, we can still enjoy a long sleep.

One of our farmers, Mr. J. B. DeKort, left for Winnipeg on Monday for the purpose of getting married. He is expected home soon with his bride, and at the present time there is no place from Winnipeg to the Coast, where business and financial conditions are better than in this section of the country.

Mr. George Snaith wishes to deny through our columns a rumour that he states has been going round that he had sold his business.

Here and There

Starting accidents, we are in our greatest wheat crop in the history of Canada," says Andrew Kelly, of the Western Flour Mills. Mr. Kelly thinks the prairie wheat crop this year is off to the best start it ever had.

The first lot of Scottish boys enrolled as farm apprentices for Canada arrived recently on the Canadian Pacific liner "Metagama." They were brought out under the auspices of the British Immigration and Colonization Association in co-operation with the Canadian Pacific Railway.

Canada's progress in the world of letters is illustrated by the fact that there is a Canadian literary section as one of the features of the Canadian pavilion at the British Empire Exhibition at Wembley. It presents French-Canadian and English-Canadian literature from the earliest dates down to 1924.

Ten conventions, comprising almost 3,000 delegates, will be held in Montreal between now and August 31, according to an announcement by the Montreal Tourist and Convention Bureau. It is hoped to obtain the 1928 Kwanian Convention for this city which would mean that some 7,000 Kwanians will visit Montreal next summer.

The Crystal Gardens, the splendid new pleasure resort for the city of Victoria, B.C., will be opened at the end of June and will form one of the unique attractions of that city. It will be both a winter and summer garden and possesses a salt water swimming tank, claimed to be the largest on the continent. Citizens of Victoria are already using the Gardens prior to its official opening.

Screening at the Capital Theatre, Montreal, of the scenes through which the University of Montreal across-Canada trip and the similar journey of the Teachers' Federation of Canada will pass, attracted a large and appreciative audience. The film was a revelation of the beauty of Canadian cities and scenery. The University of Montreal trip will start from that city July 7 and will return July 25. The trip of the Teachers' Federation will commence July 29 and will conclude August 10.

Weekly Newspapers

Convene

Every Province Represented

The annual convention of the Canadian Weekly Newspapers Association held in Winnipeg last week, was attended by members from every province of the Dominion, and by one delegate from Carling, Newfoundland. Thus the east and west extremes of the continent were represented, Vancouver Island being represented by two delegates. The delegates numbered three hundred and twenty-five, out of a total membership of 325.

Addresses on subjects of interest to the profession were given by prominent speakers during the three days of the convention.

On Thursday evening the delegates were the guests of the Province of Manitoba at the Agricultural College, when addresses were delivered by Premier Bracken, of Manitoba, and Premier Dunning, of Saskatchewan. Premier Greenfield of Alberta was also expected to have been present, but was detained at Ottawa.

They were also entertained by the City of Winnipeg to a tour of the city by the Canadian Pacific Railway to a dance in the Royal Alexander Hotel, and by the Canadian National Railways to a visit to Grand Forks, on Lake Winnipeg. All these entertainments were much appreciated, and thanks passed to the various organizations responsible. Special arrangements were made for the entertainment of the ladies during the convention sessions.

Officers Elected
On Friday officers of the Association for the coming year were elected, as follows:
President—L. J. Ball, Vernon, B.C. News.

First vice-president—J. A. MacLaren, Barrie, Ont., Examiner.
Second vice-president—S. N. Wynn, Yorkton, Sask., Enterprise.

Western directors elected—British Columbia: Don Hughes, Courtenay; Comox Argus; Hugh Savage, Duncan; Cowichan Leader; Alberta: J. Mackenzie, Strathmore Standard; L. D. Nowell, Bassano Mail; Saskatchewan: S. D. Dorman, Alameda Dispatch; J. MacDonald, Unity Courier; D. C. Dunbar, Estevan Mercury.

Tudor

On July 4th, all roads lead to the Water Sports at Tudor (in aid of the ball fund).

Mr. W. O. Payne, C.P.R. agent, has left Tudor to take up work at Atlantic. We wish him every success in his new work.

Mr. W. R. Robertson, of Strone, is relief agent at the present time. Being an eligible young man, the ladies wouldn't mind eliminating the word relief.

The many friends of Mr. and Mrs. J. D. Home will be pleased to learn that little Rex is progressing favourably from his serious illness.

The U.P.W.A. will meet at the home of Mrs. R. A. Dyson on July 2nd.

We notice that the Tudor Service Store has installed a gasoline pump. Now that the main road is opened up,

they should be able to live up to their name.

Mr. C. R. Best, Dr. Leary, and small daughters, Catherine, Mary, and Soursaria, of Freeport, Ill., are spending the summer with Mr. H. C. and Mrs. James Best.

Mr. Fred Schater Jr. is indisposed. We hope it is not on account of the school term being at an end.

Miss Dorothy Henderson has returned from Portland, Ore., to spend the summer with her parents, Dr. and Mrs. Henderson.

Miss A. Schater has returned home after a delightful holiday in Portland.

Gleichen treated Strathmore to a visit at Strathmore on the 19th, the score being 9-0 in favor of the visitors from the cowtown.

On the 19th Strathmore travelled to Nanaka and met the poorly organized team, going home with the lead of an 18-7 score.

Carleland came to Strathmore on the 19th, and took the locals into camp 11-5, but Strathmore had their revenge at Carleland on the 25th, trimming the boys from the Bow by 18-4.

Bob Anderson, manager for Strathmore, has been lining up a nice bunch of games for local fans. Strathmore and the other teams competing in the district are good amateur organizations, mostly comprised of boys who have learned the game right in the district, and they are getting a good measure of public attention and support.

Namaka plays at Strathmore tonight (Tuesday).

NAMAKA 8 - CARLELAND 7

In one of the nicest exhibitions of baseball that has been seen on the Carleland diamond this season, Namaka won an 8-7 victory over the Carleland nine.

In the first four innings six Namaka players crossed the plate, although the Carleland boys staged a great rally towards the close of the game they were not able to overcome this early lead of the Namaka boys. Both Foster and Allen twirled good ball, the infield being able to handle most of the hits.

Ben Showater, just released from the Aberdeen Penitentiary, and now the property of Namaka Club, brought a round of vociferous applause from the bleachers when he nabbed a hot liner to retire the Carleland team in the seventh.

A largely attended meeting of the U.F.W.A. took place at the home of Mrs. Dawson last Wednesday. After the regular routine of business Mrs. Galtard, Sr. and Mrs. Dawson gave a fine report of the convention held at Tular during the previous week. On behalf of the U.F.W.A., Mrs. Horvick extended words of welcome to the two new ladies, Mrs. Phil. Donkin and Mrs. Geo. Dawson. All present were then treated to a delicious lunch provided by the hostess. The U.F.W.A. will hold their next meeting at the home of August Stinn, Mrs. Barber Hostess.

Clifford Dawson, Jr., delegate to Edmonton, reports a very fine time, and shows lots of enthusiasm in the work.

Surprise Party at Langmere Farm

Friends and neighbours from miles around gathered at Langmere Farm last Friday evening for a surprise party in honor of Miss Ethel Lewis, who will leave the family of George Walters, with whom she has been for the past ten years, to go to Kinross to assist her mother in the duties on her own farm.

The guests had brought their own refreshments and plenty of everything, so there was no lack of good things to eat.

Another surprise was in store for Miss Lewis immediately after the supper, in the shape of a "bathherkerel" shower.

After the presents had been sufficiently admired, and the remnants of the feast cleared away, dancing was resumed; and daylight had dawned before the guests began reluctantly to depart.

**Hearty Reception To
Right Rev. J. T. Kidd**

Without distinction of denomination, Catholic and Non-Catholic alike in Rockyford and district united in extending a hearty welcome on Monday evening to the Right Rev. J. T. Kidd, D.D., the new Bishop of Calgary, on the occasion of his first official visit to Rockyford. Over two hundred people attended the sumptuous banquet served in Rockyford Hall, after which representatives of the churches and various business activities in Rockyford and the rural district expressed the pleasure of the community in the entertainment and welcoming of the Bishop of Calgary.

Bishop Kidd Replies

In his reply to the many expressions of welcome, Bishop Kidd expressed his gratitude for the warmth of the reception. He exhorted the members of his parish to put God first in everything, and sounded a note of warning lest the members be tempted to forget Providence, which had provided so bountifully in Rockyford district. God, stated the Bishop, had blessed this country, and particularly their district, as he had blessed few others in the world. It seemed to him that nature here had done much for us with so little effort on our own part. The opportunity seemed to exist here for amassing great wealth, and all that comes with it, such as luxury of all kinds.

Luxury had been the beginning of the downfall of many countries. He congratulated his audience on the building up of the splendid district from a veritable wilderness few years ago. He commended them in the practice of assisting one another in community undertakings, and hoped to visit the parish from time to time in the future.

He was pleased to see the friendly relations existing between Catholics and non-Catholics throughout the district, and hoped that great things might be accomplished by continued co-operation.

The Toast List

Rev. Fr. Bodie acted very efficiently as toastmaster. The programme was opened by a violin solo rendered by Mrs. Odella Myers, who was heartily cheered, and who had also, with Mr. Geo. Gow at the piano, contributed several solos during luncheon.

The toast "Welcome to Rockyford" on behalf of the town, was in the capable hands of Mr. J. B. McGuire, while that of "Rockyford the Best" was appropriately in the hands of Mr. James Black, who did it full justice. "The Farmers' Welcome" was extended by Mr. Geo. Kennedy, and the welcome on behalf of the Municipal District of Grasswood, was spoken to by Mr. E. W. Pust. Francis Ryan, Jr., delighted the assembly by his speech of "Welcome from Rockyford Juniors," and the welcome from the non-Catholics was well put by Rev. C. E. Rogers. The proceedings closed with the singing of the National Anthem, and the evening was altogether a red-letter one in Rockyford's history.

The thanks of all are due to the ladies for the preparation of the fine repast.

Bishop Kidd conducted the services at St. Rita's on Sunday evening.

Rockyford

Messrs L. M. Katterhagen, F. Currag and J. P. Doran returned on Sunday evening from a very enjoyable fishing trip to the Clearwater.

Mr. A. E. B. Long, of the Bank of Commerce Staff, is away on a two week's motorizing vacation through the Province.

An enjoyable picnic was held at the farm of Mr. and Mrs. J. A. Wise on Sunday afternoon, quite a number of Rockyfordites being present in a total attendance of over fifty. Swimming and bathing were enjoyed, after which luncheon was served.

Born to Mr. and Mrs. J. Schaber, on Sunday, June 28th, a daughter. Both doing well.

Mr. W. L. Pomroy, senior, is a patient in Rockyford Hospital.

Don't forget the date of Rockyford's big sports, Wednesday, July 24.

The Ladies Club will meet on Thursday, July 2nd, at 2:30 p.m. at the Union Church. Those attending the ladies are to have a tennis tournament under the direction of Mrs. Acton. All the members are urged to try the game regardless of whether they have ever played before or not. In addition to the ten cents for the tea, which follows the tournament, please bring ten cents to assist the "Beaver Club" in fixing the courts.

Rosebud News

Miss Anna Henderson is home for a couple of weeks.

Miss Agnes Cleary returned to Edmonton after spending her vacation here.

Mrs. Edith McIntosh is keeping house for her brother, Fred Campbell, in Betsker.

Meri Jones is home from school, but will not remain in our midst long, as he has accepted a position with the National Elevator Co.

The dance in the barn was enjoyed by a good crowd, the evening being ideal, and the boys expect to enjoy their camping trip which will be the results from the proceeds of their two dances. Makes us older ones wish we were boys.

A splendid highway is being built out south from Rosebud. One would almost think they were on the Black Trail.

Miss Opal Jones finished her exams, and is now home. She is taking up the duties of stenographer in the Bank of Commerce.

The Sunday School picnic, held on last Saturday in the Rosebud grove, was attended by a large crowd.

School will be dismissed this week and we will see a lot of smiling faces.

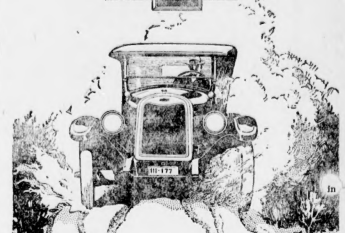

Mrs. Maighit, from Saskatchewan, is visiting her daughter, Mrs. Wm. Kelly.

Mrs. McLaughlin Sr., has returned after a six month's visit with her other son in the East. She finds our climate far more pleasant than the suffocating heat in New York City.

Friday—Ant Emmy says it we make
fun of lossa things she says here

In town but she has de-
covered that when you
set down out in the
country why sum of the
town folks is close to
sum. The other day
she went out to unke
Hens house with Mr.
Gillen and in the evening
a flut frog got to Crook-
ing why Mrs. Gillen did
not do what it was, she
said that it was a cow a
barking for her colt. She
said.

Sat—well I enjoyed
a good hot pat's Nipote today
at the dinner table when we had Veget-
able Soup for dinner. Pa sed to ma.
With shud I orta say. I eat soup cr
shud I say I drink soup. Ma sed to
him. Well from the way it sounds I
think you shud orta say that you
Gargle Soup.

Sunday—Ant Emmy was saying at
she diddnt think sum shud be aloud
to play golf on Sunday. But ma sed
she that they shud. Ma sed that the
only thing at wood keep sum men
from going to sleep in church was
to go out and play golf.

Monday—My school teacher dropt
in this evening for a little visit and she
sed what when I was a going to be
when I got three school. I replied and
sed that the way things looked now
sence I got my last grade I would hold
the record as the oldest follow to ever
graduate from the school.

Tuesday—While me and Ant Emmy
was in the hard Wood area this after-
noon a lady comes in and ordered sum
3 quarter inch Hens for her husband.
Ant Emmy sed she must of made a
mistake for she diddnt think they
was a man in town with legs that
shiny.

Wednesday—Mrs. Hix was a bragger
about her daxter today becu she had
got married so well off. She sed her
house was finished complete with the
latest moddle of anteek furniture
everything.

Thursday—Ma is thinking of pa-
ying a new machine and today she was
asking Hiltersen pa how did he like
his new machine and did it run good.
He sed it run better emmy machine
